

## **DUI Penalties**

If you have been arrested for a DUI in Wisconsin, you may face jail time, loss of your driver's license and expensive fines and costs. Even a first time misdemeanor DUI offense carries substantial penalties, including 6 month license suspension, up to 6 months in county jail (though it is unusual for a first offender to do any jail time), Alcohol classes for 3 – 9 months and Fines, Assessments and Fees upwards of to \$2,000. If you have prior DUI offenses within the last 10 years, your penalties may be substantially higher.
